**(NORTHUMBERLAND TOUR OF BRITAIN) ORDER 2021**

NOTICE IS HEREBY GIVEN that the Northumberland County Council have made an Order under Section 16A of the Road Traffic Regulation Act 1984, as amended, the effect of which is to temporarily prohibit or restrict the use by vehicular traffic as and when required on the following sections of highway in the County of Northumberland with the exception of: -

The temporary prohibitions are necessary in the interests of public safety to enable Stage 6 of the Tour of Britain 2021 event to take place.

Where full road closures are not specified in this notice a rolling road closure will then be in place ahead of the progress of the race along the route set out below.

This Order includes but does not specify any undisclosed road closures, parking restrictions or prohibitions that the Tour of Britain 2021 event has identified to be used in case of emergency.

In accordance with the provisions of the Highways Act 1980 and this order, any unauthorised vehicle found to be parked causing an obstruction will be removed by or on behalf of the council.

Where "Full parking restrictions" are specified, no waiting restrictions will be applied **from 00:01 on 10th September 2021 until the race has passed through and the restrictions removed (unless otherwise stated)** by the use of "no waiting" traffic cones and on any other road deemed appropriate to assist with traffic flow and event management.

Please be aware that the times stated below are the start of the race in a particular location, the lead riders may reach the next location before the last riders have left the previous one. Times are approximate and it is anticipated that lead cars and the rolling road block will arrive in each location up to 20 minutes before the race and will have left each location within 45 minutes after it first arrived.
